CLUB CHALLENGE

16th-17th May 2009 - The Britannia Adelphi Hotel, Ranelagh Place, Liverpool, Merseyside, England, L3 5UL

FLAMES OF WAR CLUB CHALLENGE RULES

The WPS rules promote a different style of play to that which you may be familiar with through playing at other events and tournaments. The overriding objective when putting together this rules pack was that **all** players attending a WPS event should enjoy **every** game they play over the course of the event. To this end there are several mechanisms in place to restrict some of the more extreme armies that players may be tempted to bring. In addition many of the score reporting procedures have developed over the years to the point where we are pleased to say a WPS event more or less runs itself.

Grudge Games

There are no grudge games allowed at the Club Challenge.

Game Play

The Club Challenge will consist of 5 games. The first two rounds will be pre-drawn, After this, the remaining rounds will be based on the Swiss System. Please note that this will result in games where you may play either Axis or Allies armies with a similar score to yours.

The Battlefield - Scenery

Flames of War is best played with plenty of terrain on the table. If you or your club can provide some terrain please let us know in advance by emailing fow@the-wps.com.

Scenery will be fixed in place on each table by the WPS for the duration of the tournament; therefore players will not need to place any terrain themselves.

Player Judges and Umpires

The player-judges for this event are unknown at the time of publishing these rules. If you require the assistance of a referee during your games, please seek the player-judge out.

Please note that player-judges should not be asked to make judgements on games in which one of their club-mates is playing in. Please note, where player-judges have been asked for a ruling their decision is considered binding. If you have a problem that is more serious, and wish to speak to someone in private, please contact the event umpire or an organiser.
